Ministry of Technology and Communications
Administration Department

Ref No. 1787 /MTC.AD

Vientiane Capital, Date: 24 Dec 2021

To Whom It May Concern:

Subject: Endorsement of LaoKYC as coronavirus disease 2019 (COVID-19) App.

Dear Sir/Mdm ,

On behalf of Ministry of Technology and Communications of the Lao PDR (MTC) (Formerly Ministry of Post and Telecommunications), it is my honor to inform you that: MTC have appointed SB Lab 856 Co., Ltd to publish and commission LaoKYC as following:

- Apple Developer ID: partner@sbg.la (SB Lab 856 Co., Ltd)
- App ID: 1506413122
- Bundle ID: com.sblab.LaoKYC
- App Name: LaoKYC

MTC endorse and confirm that under the jurisdiction of the Lao PDR, LaoKYC is:

1. Publicly available contact tracing apps, including all apps that track or monitor infected or exposed individuals for the purpose of COVID-19 response or mitigation
2. Publicly available COVID-19 status apps, including all apps that verify an individual's vaccination status, current infection, or history of infection, e.g., for the purposes of determining the individual's eligibility for travel or entry into public spaces.

MTC has assigned **Dr. Thavisak Manodham**, Director General of Digital Government Center, contact: +856 20 22210003, email: thavisak@mtc.gov.la as implementing agency all concerning parties and other line Ministry.

Sincerely Yours,

Mr. Phoukhong CHITHOUPLOK

Director General
